EDAC D-85/1

November 9, 1955

ECONOMIC DEFENSE ADVISORY COMMITTEE

MEMORANDUM:

TO: EDAC Members

FROM: W. S. DeLany, Chairman, EDAC *W. S. DeLany*

SUBJECT: Reorganization of EDAC Structure

In order to make our structure more adaptable to current requirements and to carry out our responsibilities with the most efficient use of manpower and funds, the members representing State, Defense, Commerce, and EDAC have agreed upon a more limited organization. The Executive Committee has devised terms of reference, assigned responsibilities and defined an operational system for the new structure in the document which is attached.

It is requested that you examine the attached document carefully and let me know before 18 November if you find it unsatisfactory in any respect.

If the revised system is satisfactory, I intend to instruct the Executive Committee to put it into operation as rapidly as feasible after 21 November.

Your cooperation in assisting to meet these deadlines will be appreciated.
